

Two of the most popular events at the Annual Meeting are the Programming Highlights Session and the Technical Highlights Session. At the 2012 Annual Meeting, these events will run consecutively on Tuesday, January 31, in the Laguna Room at the Sheraton Puerto Rico Convention Center Hotel & Casino, with the first one starting at 8:30 a.m.

During the Highlights Sessions, representatives of Associate Members have five (5) minutes each to promote the products and services of their companies. Because time is limited, there are only 15 slots available in each session. Don't miss this great opportunity to discuss your company and introduce yourself to Annual Meeting attendees, prior to seeing them in the Exhibit Hall. Only representatives of Associate Members (membership dues for 2012 must be paid) who are registered for the 2012 Annual Meeting may participate.

If you are interested in securing a five-minute slot in either the Programming Highlights or Technical Highlights Sessions, please fill out this form and return it with your completed Annual Meeting Registration form. Remember space is limited, so only early registrants get this opportunity!

The completed and signed Annual Meeting Registration form and Highlights Participation form can be mailed, e-mailed or faxed to Executive Director Andrea L. Martin. The mailing address is CCTA, P. O. Box 11540, St. Thomas, VI 00801-4540. The e-mail address is [info@cctanet.com](mailto:info@cctanet.com), and the fax number is 561.952.4002.

---

Please indicate your interest in participating in either the Programming Highlights Session or Technical Highlights Session. You can participate in only one session.
